

Insomnia Is Fatal

In its results unless taken early in hand. Sleep is imperative—the body and brain demand it. Like a piece of machinery, the system must receive proper care or sooner or later it will break down.

Johann Hoff's Malt Extract

taken with meals and before retiring, will banish insomnia by removing its causes. Sound, healthful sleep is certain to follow its use. Johann Hoff's Malt Extract is a great aid to digestion, helps the food to properly assimilate and promotes good appetite.

Johann Hoff's Malt Extract is the pioneer standard—has been sold since 1845. Beware of imitations, which are merely malt extracts in name and have nothing but their names to recommend them. Johann Hoff, New York, Berlin, Paris.

CARBONDALE.

SCHOOL BOARD MEETING.

Messrs. Moon, Boylan, Colville, Dimmock, Brennan and Hughes, the full membership of the school board, were present last night at a special meeting of that august body. The reading of the minutes of the previous meeting precipitated a wordy discussion, which lasted for some time. The cause which led to the discussion was the reading of the motion for the purpose of placing Thomas W. Loftus and Ella Boland as teachers of the eighth grade. The motion was recorded by Secretary Brennan as being carried and afterward defeated by Chairman Colville calling upon Mr. Brennan for a roll call upon the motion. Upon the roll being called the motion was lost through Mr. Dimmock's voting against it. Finally the minutes were changed to suit the approval of the chairman and were adopted. The business of the evening was presided over by Mr. Boylan addressing the board. He grieved at the fact that a number of children living south of the line of demarcation for Nos. 1 and 2 schools attended those institutions. Several other persons were present and spoke on the same subject, but were hardly as vociferous as Mr. Boylan. Professor Hockenberry addressed the board in regard to receiving pupils from out of the school district, and attending the city schools. This brought on a discussion as to the persons outside paying for their tuition. Mr. Boylan made a motion that all pupils living outside the city school district be required to pay their tuition to the treasurer of the board in advance. Formerly the pupils paid the money to the principal of the high school, and that gentleman turned it over to the treasurer. Mr. Boylan's motion was seconded by J. W. Dimmock. Mr. Brennan moved that the graduates be admitted to take on such studies as they had not already passed previous to graduating. Mr. Hughes seconded the motion, which was carried. Professor Hockenberry desired to have the board grant him the privilege of using his own grammar text book instead of the one being used at present, giving his reason that the one in use is entirely too long. At this juncture a tilt occurred between Professors Colville and Hockenberry. Mr. Hockenberry stated that the present course which was the cause of Professor Hockenberry's grammar being thrown out, has never been legally adopted. Mr. Colville was emphatic in his statements concerning the uselessness of Hockenberry's grammar. He said it was not worth the paper it is printed on as a text book for the pupils. Mr. Hockenberry made a dignified defense of his grammar, in which he embodied the fact that he believes himself as good a teacher of grammar as in the city. After a long discussion, a motion to allow the professor to use his book in the tenth grade instead of the book now in use, was carried.

A NARROW ESCAPE.

John Boylan, the well known meat dealer, was driving a delivery wagon over the stretch of road between Eighth avenue and Brooklyn street, when the team attached to it became frightened at a street car. At the same time a train, whistled by on the steam road and this served to scare the frightened animals all the more. Pedestrians looked on with bated breaths for fear the horses would plunge over the embankment, which runs down some twenty-five feet from the roadway. One of the passengers in the car jumped out and grabbed the heads of the animals and got them under control. To this prompt action Mr. Boylan probably owes his life.

SPOONERS LAST NIGHT.

The Spooners played to a packed house last night, presenting the five act comedy "The Pearl of Savoy." The staging of the play was admirable and brought forth many encomiums from the audience. Each of the caste is well adapted to his or her respective parts and satisfied the large audience which was enthusiastic and generous with its applause. This afternoon at the matinee, "Kathleen MacAvoy" will be presented.

duced, while tonight the company will present the new naval drama, "Hobson's Choice or the Hero of the Merinae." Many instructive and entertaining specialties were introduced between the acts.

GOING TO MAINE.

G. M. Patterson, and company of friends will leave next month for Maine, where they will hunt the deer. The party went last year and met with great success, and intend that hereafter their pleasure will be even greater than last. The party will probably be somewhat larger than the previous one.

BISHOP TALBOT COMING.

Bishop Talbot will come to this city next Sunday and install Rev. A. R. Sawyer as rector of Trinity church. In the evening he will deliver a large number of young people in the Trinity church. Rev. Sawyer is very popular with his parishioners and has made many friends since his coming here.

JERMYN AND MAYFIELD.

The largest and most enthusiastic crowd that ever assembled at Alumni park, to witness a game of base ball, was there yesterday afternoon to see the game between the Archbold and Jessup clubs for a purse of twenty-five dollars and gate receipts. Griffin and Cooney were the battery for Jessup, and their work was a mystery to the Archbold boys. They could not locate Griffin's ball at all until the eighth inning, and then very seldom. If Griffin is an amateur pitcher, it would be a good scheme for some of the professionals to get some pointers from him. The battery for Archbold was Swift and Flanagan. They did nice work, but Jessup got onto them in the first inning and kept hitting them all through the game. But taken all through it was one of the best games ever played at the park. The score was a tie, five each.

Patrick Connors, of the East Side, mention of whose injury was made yesterday morning, died Sunday night at the hospital from the result of his injuries.

Miss Edna Burt, of New Jersey, who has been the guest of Mr. and Mrs. William, returned yesterday morning to her home.

Mrs. Thomas Williams spent Sunday with friends in Wilkes-Barre.

Editor of The Tribune.

Sir: I am not a disappointed local politician, and have no desire to use the columns of your paper for any selfish motive, but I wish to mislead the people of Jermyn; but I trust you will allow me to make a few statements regarding the article that was printed in the Scranton Republican of Friday, Sept. 5, that the people may learn the truth concerning the schools from one who is in position to know.

Each teacher, from the first primary room to the High school room, is following the course of study adopted by the Jermyn school board, dated 1896-7, and this course was formulated under the supervision of Prof. E. D. Bovard. Nothing has been added to this curriculum since I was elected principal.

There were six subjects in this course that had never been pursued by the pupils previous to September, 1897, viz., philosophy, geometry, English literature, general history, physical geography and botany. Part of these subjects were taken up in the course of the year.

The ideal orchestra have a dance social on Thursday evening in Hartung's hall.

While a company of boys were making a disturbance in central park Saturday evening, Policeman Brown suddenly appeared in their midst and, after a lively chase, landed one of the gang in the lockup.

The Christian Endeavor society of the Presbyterian church are making arrangements for the coming fall and winter course of the one given last winter.

The base ball season closed here last Saturday when Port Jervis and Honesdale teams crossed bats with a score by innings:

Port Jervis.....0 0 0 0 1 0 0—1
Honesdale.....2 0 0 3 0 0 0—5

The Honesdale teams have played during the season forty-eight games and lost only eight games. They are a strictly temperate club. Their conduct has been commendable throughout, an honor to the profession. Last night a social dance was given in their honor and today the out-of-town members will leave for their homes.

PRICEBURG.

Misses Lizzie Ann Wrightson and Bella Raisbeck were visitors in Providence Sunday.

THE SURGEON'S KNIFE

ONCE BELIEVED TO BE THE ONLY CURE FOR PILES AND RECTAL DISEASES.

A Better Way Now Discovered Which Cures Every Form of Piles Without Pain or Inconvenience.

Many people suffer the pain, annoyance and other serious results from piles for years, and after trying the many lotions, salves, ointments and many so-called cures without cure or relief, give up the hope of a final cure, rather than submit to the intense pain and danger to life which a surgical operation entails.

Happily all this suffering is no longer necessary since the discovery of the Pyramid Pile Cure; a remedy which is approved by the medical profession, as being absolutely safe, free from any trace of opiate, narcotic or mineral poisons and which may be depended upon as a sure cure (not merely relief) in any form of piles, whether itching, blind, bleeding or protruding. Some of the hundreds of cures recently made are a little short of marvelous. A perusal of the following will demonstrate.

Major Dean, of Columbus, Ohio, says: I wish to add to the number of certificates as to the benefit derived from the Pyramid Pile Cure. I suffered from piles for forty years and from itching piles for twenty years and two boxes of the Pyramid Pile Cure has effectually cured me.

Dr. J. W. Meagan, Leonardville, Kan., writes: I have used a box of Pyramid Pile Cure and received more benefit and relief than from any other remedy I had used in the past twenty years.

James Jamerson, Dubuque, Iowa, says: I suffered from piles for six years; have just used the Pyramid Pile Cure and am a well man.

Mr. C. Hinkley, 601 Mississippi street, Indianapolis, Ind., says: Have been a sufferer from the pain and annoyance of piles for fifteen years, the Pyramid Pile Cure and Pyramid Pills gave me immediate relief and in a short time I am cured.

The Pyramid Pile Cure may be found at druggists at 50 cents and \$1.00 per package. A book on cause and cure of piles will be sent by mail, by addressing the Pyramid Drug Co., Marshall, Mich.
